

## **Warehouse Clerk (Montreal)**

Distex is a premium partner to clients and suppliers in the commercial and institutional kitchen equipment field. We offer high quality products such as ice machines, cooking and refrigeration equipment, as well as stainless steel accessories. As we are expanding our team, we are looking for a dynamic Warehouse Clerk.

### **What will you be doing?**

Part of your daily tasks will include receiving and shipping our products, as well as placing the merchandise in our warehouse. In addition to maintaining the warehouse (daily cleaning) and ensuring it is safe at all times, you will also work towards optimizing the warehouse space to maintain its efficiency. As this is a multifunctional position, you may be asked to help out in the parts and service department when necessary.

### **What's in it for you?**

When you join our team, you're not a number, you become a family member. That's why we look for people who want to build a career with us – the growth opportunities with Distex are endless. Although we work hard, we do play hard; we are also all about work-life balance. In addition to having fun daily (we promise you will not be bored!), you will have access to our group insurance plan (health, dental, travel) and other cool benefits.

### **What are we looking for?**

If you have experience in a similar position, are fully bilingual (FR/EN – a must), are in excellent physical condition, are customer-service oriented and have exceptional interpersonal skills, we want to meet you! If you think you would be a good fit for this position (and our company), let us know! Send us your resume and cover letter to [eroy@distex.ca](mailto:eroy@distex.ca) If we think you stand out, we will give you a call and further discuss the position with you.
